

Cerence In Motion: Leader in Conversational AI for Mobility to Host Product Launch Event for New Technologies and Services

January 7, 2021

BURLINGTON, Mass., Jan. 07, 2021 (GLOBE NEWSWIRE) -- [Cerence Inc.](#) (NASDAQ: CRNC), AI for a world in motion, today announced that it will host a special live, virtual product launch event, [Cerence In Motion](#), to introduce its next-generation conversational AI platform, new cloud products, and broad connected mobility strategy. The event will take place on Tuesday, January 19, 2021 from 10:00 AM to 11:30 AM ET.

Sunny Madra, Vice President, Ford X at Ford Motor Company will join Cerence in Motion as a special guest for a fireside chat. The launch event will be hosted by Cerence CEO Sanjay Dhawan and will include presentations from Prateek Kathpal, CTO; Stefan Ortmanns, EVP & GM, Core Products; Charles Kuai, SVP & GM, Mobility Solutions; and Udo Haiber, SVP of R&D.

The program will focus on new products and strategies that advance connected mobility, including:

- New innovations, built on the latest AI-powered embedded and cloud offerings, for the fastest, most intelligent automotive assistant platform on the market;
- New products that extend drivers' digital lives to mobility, making consumers' daily journeys more enjoyable and productive than ever; and,
- New applications for Cerence conversational AI in new mobility industries.

"In our first year as Cerence, we significantly accelerated our pace of innovation, introducing a steady cadence of new products that deliver a safer, more enjoyable journey for everyone," said Richard Mack, Chief Marketing & Communications Officer, Cerence. "Cerence In Motion on January 19 marks the beginning of the next phase in our journey. We're excited and proud to share our strategic path and launch a number of new products for AI-powered, voice-first experiences across the mobility ecosystem."
