The DGCL provides that Section 145 is not exclusive of other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise. The Company's amended and restated bylaws provide for indemnification by the registrant of its directors and officers to the fullest extent permitted by the DGCL.

Section 102(b)(7) of the Delaware General Corporation Law permits a corporation to provide in its certificate of incorporation that a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for unlawful payments of dividends or unlawful stock repurchases, redemptions or other distributions, or (iv) for any transaction from which the director derived an improper personal benefit. The Company's amended and restated certificate of incorporation provides for such limitation of liability.

Item 9. Undertakings

The Company hereby undertakes:

- (a) (1) To file during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) to include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;
 - (iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that, paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by us pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") that are incorporated by reference in the Registration Statement;
- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered hereby which remain unsold at the termination of the offering.
- (b) The Company hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering hereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

CERENCE INC.
2019 EQUITY INCENTIVE PLAN

1. DEFINED TERMS

Exhibit A, which is incorporated by reference, defines certain terms used in the Plan and includes certain operational rules related to those terms.

2. PURPOSE

The Plan has been established to advance the interests of the Company by providing for the grant to Participants of Stock and Stock-based Awards.

3. ADMINISTRATION

The Plan will be administered by the Administrator. The Administrator has discretionary authority, subject only to the express provisions of the Plan, to interpret the Plan; to determine eligibility for and grant Awards; to determine, modify, accelerate or waive the terms and conditions of any Award; to determine the form of settlement of Awards (whether in cash, shares of Stock, or other property); to prescribe forms, rules and procedures relating to the Plan and Awards; and to otherwise do all things necessary or desirable to carry out the purposes of the Plan or any Award. Determinations of the Administrator made with respect to the Plan or any Award are conclusive and bind all persons.

4. LIMITS ON AWARDS UNDER THE PLAN

(a) Number of Shares. Subject to adjustment as provided in Section 7(b), the number of shares of Stock that may be issued in satisfaction of Awards under the Plan is 5,300,000 shares (the “**Initial Share Pool**”). The Initial Share Pool will automatically increase on January 1st of each year from 2020 until 2029, by the lesser of (A) three percent (3%) of the number of shares of Stock outstanding as of the close of business on the immediately preceding December 31st; and (B) the number of shares of Stock determined by the Board on or prior to such date for such year (the Initial Share Pool, as it may be so increased, the “**Share Pool**”). Up to the total number of shares of Stock in the Initial Share Pool may be issued in satisfaction of ISOs, but nothing in this Section 4(a) will be construed as requiring that any, or any fixed number of, ISOs be granted under the Plan. For purposes of this Section 4(a), shares of Stock will not be treated as issued under the Plan, and will not reduce the Share Pool, unless and until, and to the extent, the shares are actually issued to a Participant. Without limiting the generality of the foregoing, shares of Stock withheld by the Company in payment of the exercise price or purchase price of an Award or in satisfaction of tax withholding requirements with respect to an Award and shares of Stock underlying any portion of an Award that is settled in cash or that expires, becomes unexercisable, terminates or is forfeited to or repurchased by the Company, in each case, without the issuance (or retention (in the case of Restricted Stock or Unrestricted Stock)) of Stock, will not be treated as issued in satisfaction of Awards under the Plan and will not reduce the Share Pool. The limits set forth in this Section 4(a) will be construed to comply with the applicable requirements of Section 422.

(b) Substitute Awards. The Administrator may grant Substitute Awards under the Plan. To the extent consistent with the requirements of Section 422 and the regulations thereunder and other applicable legal requirements (including applicable stock exchange requirements), shares of Stock issued in respect of Substitute Awards will be in addition to and will not reduce the Share Pool. Notwithstanding the foregoing or anything in Section 4(a) to the contrary, if any Substitute Award is settled in cash or expires, becomes unexercisable, terminates or is forfeited to or repurchased by the Company without the issuance (or retention, in the case of Restricted Stock or Unrestricted Stock) of Stock, the shares of Stock previously subject to such Award will not increase the Share Pool or otherwise be available for future issuance under the Plan. The Administrator will determine the extent to which the terms and conditions of the Plan apply to Substitute Awards, if at all, provided, however, that Substitute Awards will not be subject to the limits described in Section 4(d).

(c) Type of Shares. Stock issued by the Company under the Plan may be authorized but unissued Stock or previously issued Stock acquired by the Company. No fractional shares of Stock will be issued under the Plan.

(d) Director Limits. Notwithstanding the foregoing limits, the aggregate value of all compensation granted or paid to any Director with respect to any calendar year, including Awards granted under the Plan and the amount of cash fees or other compensation paid by the Company to such Director outside of the Plan, in each case, for his or her services as a Director during such calendar year, may not exceed \$750,000 in the aggregate (or \$1,000,000 for the calendar year the Director is first appointed or elected to the Board), calculating the value of any Awards based on the grant date fair value in accordance with the Accounting Rules and assuming maximum payout levels.

5. ELIGIBILITY AND PARTICIPATION

The Administrator will select Participants from among Employees and Directors of, and consultants and advisors to, the Company and its subsidiaries. Eligibility for ISOs is limited to individuals described in the first sentence of this Section 5 who are employees of the Company or of a “parent corporation” or “subsidiary corporation” of the Company as those terms are defined in Section 424 of the Code. Eligibility for Stock Options, other than ISOs, and SARs is limited to individuals described in the first sentence of this Section 5 who are providing direct services on the date of grant of the Award to the Company or to a subsidiary of the Company that would be described in the first sentence of Section 1.409A-1(b)(5)(iii)(E) of the Treasury Regulations.

6. RULES APPLICABLE TO AWARDS

(a) All Awards.

(1) Award Provisions. The Administrator will determine the terms and conditions of all Awards, subject to the limitations provided herein. By accepting (or, under such rules as the Administrator may prescribe, being deemed to have accepted) an Award, the Participant will be deemed to have agreed to the terms and conditions of the Award and the Plan. Notwithstanding any provision of the Plan to the contrary, Substitute Awards may contain terms and conditions that are inconsistent with the terms and conditions specified herein, as determined by the Administrator.

(2) Term of Plan. No Awards may be made after ten years from the Date of Adoption, but previously granted Awards may continue beyond that date in accordance with their terms.

(3) Transferability. Neither ISOs nor, except as the Administrator otherwise expressly provides in accordance with the third sentence of this Section 6(a)(3), other Awards may be transferred other than by will or by the laws of descent and distribution. During a Participant's lifetime, ISOs and, except as the Administrator otherwise expressly provides in accordance with the third sentence of this Section 6(a)(3), SARs and NSOs may be exercised only by the Participant. The Administrator may permit the gratuitous transfer (*i.e.*, transfer not for value) of Awards other than ISOs, subject to applicable securities and other laws and such terms and conditions as the Administrator may determine.

(4) Vesting; Exercisability. The Administrator will determine the time or times at which an Award vests or becomes exercisable and the terms and conditions on which a Stock Option or SAR remains exercisable. Without limiting the foregoing, the Administrator may at any time accelerate the vesting and/or exercisability of an Award (or any portion thereof), regardless of any adverse or potentially adverse tax or other consequences resulting from such acceleration. Unless the Administrator expressly provides otherwise, however, the following rules will apply if a Participant's Employment ceases:

(A) Except as provided in (B) and (C) below, immediately upon the cessation of the Participant's Employment each Stock Option and SAR (or portion thereof) that is then held by the Participant or by the Participant's permitted transferees, if any, will cease to be exercisable and will terminate, and each other Award that is then held by the Participant or by the Participant's permitted transferees, if any, to the extent not then vested, will be forfeited.

(B) Subject to (C) and (D) below, each vested and unexercised Stock Option and SAR (or portion thereof) held by the Participant or the Participant's permitted transferees, if any, immediately prior to the cessation of the Participant's Employment, to the extent then exercisable, will remain exercisable for the lesser of (i) a period of three months following such cessation of Employment or (ii) the period ending on the latest date on which such Stock Option or SAR could have been exercised without regard to this Section 6(a)(4), and will thereupon immediately terminate.

(C) Subject to (D) below, each vested and unexercised Stock Option and SAR (or portion thereof) held by a Participant or the Participant's permitted transferees, if any, immediately prior to the cessation of the Participant's Employment due to his or her death or by the Company due to his or her Disability, to the extent then exercisable, will remain exercisable for the lesser of (i) the one-year period ending on the first anniversary of such cessation of employment or (ii) the period ending on the latest date on which such Stock Option or SAR could have been exercised without regard to this Section 6(a)(4), and will thereupon immediately terminate.

(D) All Awards (whether or not vested or exercisable) held by a Participant or the Participant's permitted transferees, if any, immediately prior to the cessation of the Participant's Employment will immediately terminate upon such cessation of Employment if the termination is for Cause or occurs in circumstances that in the determination of the Administrator would have constituted grounds for the Participant's Employment to be terminated for Cause (in each case, without regard to the lapsing of any required notice or cure periods in connection therewith).

(5) Recovery of Compensation. The Administrator may provide in any case that any outstanding Award (whether or not vested or exercisable), the proceeds from the exercise or disposition of any Award or Stock acquired under any Award and any other amounts received in respect of any Award or Stock acquired under any Award will be subject to forfeiture and disgorgement to the Company, with interest and other related earnings, if the Participant to whom the Award was granted is not in compliance with any provision of the Plan or any applicable Award, any non-competition, non-solicitation, no-hire, non-disparagement, confidentiality, invention assignment, or other restrictive covenant by which he or she is bound. Each Award shall be subject to any policy of the Company or any of its subsidiaries that provides for forfeiture, disgorgement or clawback with respect to incentive compensation that includes Awards under the Plan and shall be further subject to forfeiture and disgorgement to the extent required by law or applicable stock exchange listing standards, including, without limitation, Section 10D of the Exchange Act. Each Participant, by accepting or being deemed to have accepted an Award under the Plan, agrees (or will be deemed to have agreed) to the terms of this Section 6(a)(5) and to cooperate fully with the Administrator, and to cause any and all permitted transferees of the Participant to cooperate fully with the Administrator, to effectuate any forfeiture or disgorgement described in this Section 6(a)(5). Neither the Administrator nor the Company nor any other person, other than the Participant and his or her permitted transferees, if any, will be responsible for any adverse tax or other consequences to a Participant or his or her permitted transferees, if any, that may arise in connection with this Section 6(a)(5).

(6) Taxes. The grant of an Award and the issuance, delivery, vesting and retention of Stock, cash or other property under an Award are conditioned upon the full satisfaction by the Participant of all tax and other withholding requirements with respect to the Award. The Administrator will prescribe such rules for the withholding of taxes and other amounts with respect to any Award as it deems necessary. Without limitation to the foregoing, the Company or any parent or subsidiary of the Company shall have the authority and the right to deduct or withhold (by any means set forth herein or in an Award agreement), or require a Participant to remit to the Company or a parent or subsidiary of the Company, an amount sufficient to satisfy all U.S. and non-U.S. federal, state and local income tax, social insurance, payroll tax, fringe benefits tax, payment on account or other tax-related items related to participation in the Plan and legally applicable to the Participant and required by law to be withheld (including any amount deemed by the Company, in its discretion, to be an appropriate charge to the Participant even if legally applicable to the Company or any parent or subsidiary of the Company). The Administrator, in its sole discretion, may hold back shares of Stock from an Award or permit a Participant to tender previously owned shares of Stock in satisfaction of tax or other withholding requirements (but not in excess of the maximum withholding amount consistent with the Award being subject to equity accounting treatment under the Accounting Rules). Any amounts withheld pursuant to this Section 6(a)(6) will be treated as though such amounts had been made directly to the Participant. In addition, the Company may, to the extent permitted by law, deduct any such tax and other withholding amounts from any payment of any kind otherwise due to a Participant from the Company or any parent or subsidiary of the Company.

(7) Dividend Equivalents. The Administrator may provide for the payment of amounts (on terms and subject to conditions established by the Administrator) in lieu of cash dividends or other cash distributions with respect to Stock subject to an Award whether or not the holder of such Award is otherwise entitled to share in the actual dividend or distribution in respect of such Award; provided, however, that (a) dividends or dividend equivalents relating to an Award that, at the dividend payment date, remains subject to a risk of forfeiture (whether service-based or performance-based) shall be subject to the same risk of forfeiture as applies to the underlying Award and (b) no dividends or dividend equivalents shall be payable with respect to Options or SARs. Any entitlement to dividend equivalents or similar entitlements will be established and administered either consistent with an exemption from, or in compliance with, the applicable requirements of Section 409A. Dividends or dividend equivalent amounts payable in respect of Awards that are subject to restrictions may be subject to such additional limitations or restrictions as the Administrator may impose.

(8) Rights Limited. Nothing in the Plan or any Award will be construed as giving any person the right to be granted an Award or to continued employment or service with the Company or any of its subsidiaries, or any rights as a stockholder except as to shares of Stock actually issued under the Plan. The loss of existing or potential profit in any Award will not constitute an element of damages in the event of termination of a Participant's Employment for any reason, even if the termination is in violation of an obligation of the Company or any of its subsidiaries to the Participant.

(9) Coordination with Other Plans. Shares of Stock and/or Awards under the Plan may be issued or granted in tandem with, or in satisfaction of or substitution for, other Awards under the Plan or awards made under other compensatory plans or programs of the Company or any of its subsidiaries. For example, but without limiting the generality of the foregoing, awards under other compensatory plans or programs of the Company or any of its subsidiaries may be settled in Stock (including, without limitation, Unrestricted Stock) under the Plan if the Administrator so determines, in which case the shares delivered will be treated as awarded under the Plan (and will reduce the Share Pool in accordance with the rules set forth in Section 4).

(10) Section 409A.

(A) Without limiting the generality of Section 11(b), each Award will contain such terms as the Administrator determines and will be construed and administered, such that the Award either qualifies for an exemption from the requirements of Section 409A or satisfies such requirements.

(B) Notwithstanding anything to the contrary in the Plan or any Award agreement, the Administrator may unilaterally amend, modify or terminate the Plan or any outstanding Award, including, but not limited to, changing the form of the Award, if the Administrator determines that such amendment, modification or termination is necessary or advisable to avoid the imposition of an additional tax, interest or penalty under Section 409A.

(C) If a Participant is determined on the date of the Participant's termination of Employment to be a "specified employee" within the meaning of that term under Section 409A(a)(2)(B) of the Code, then, with regard to any payment that is considered nonqualified deferred compensation under Section 409A, to the extent applicable, payable on account of a "separation from service", such payment will be made or provided on the date that is the earlier of (i) the first business day following the expiration of the six-month period measured from the date of such "separation from service" and (ii) the date of the Participant's death (the "**Delay Period**"). Upon the expiration of the Delay Period, all payments delayed pursuant to this Section 6(a)(10)(C) (whether they would have otherwise been payable in a single lump sum or in installments in the absence of such delay) will be paid, without interest, on the first business day following the expiration of the Delay Period in a lump sum and any remaining payments due under the Award will be paid in accordance with the normal payment dates specified for them in the applicable Award agreement.

(D) For purposes of Section 409A, each payment made under the Plan or any Award will be treated as a separate payment.

(E) With regard to any payment considered to be nonqualified deferred compensation under Section 409A, to the extent applicable, that is payable upon a change in control of the Company or other similar event, to the extent required to avoid the imposition of any additional tax, interest or penalty under Section 409A, no amount will be payable unless such change in control constitutes a "change in control event" within the meaning of Section 1.409A-3(i)(5) of the Treasury Regulations.

(b) Stock Options and SARs.

(1) **Time and Manner of Exercise.** Unless the Administrator expressly provides otherwise, no Stock Option or SAR will be considered to have been exercised until the Administrator receives a notice of exercise in a form acceptable to the Administrator that is signed by the appropriate person and accompanied by any payment required under the Award. The Administrator may limit or restrict the exercisability of any Stock Option or SAR in its discretion, including in connection with any Covered Transaction. Any attempt to exercise a Stock Option or SAR by any person other than the Participant will not be given effect unless the Administrator has received such evidence as it may require that the person exercising the Award has the right to do so.

(2) **Exercise Price.** The exercise price (or the base value from which appreciation is to be measured) per share of each Award requiring exercise must be no less than 100% (in the case of an ISO granted to a 10-percent stockholder within the meaning of Section 422(b)(6) of the Code, 110%) of the Fair Market Value of a share of Stock, determined as of the date of grant, or such higher amount as the Administrator may determine in connection with the grant.

(3) Payment of Exercise Price. Where the exercise of an Award (or portion thereof) is to be accompanied by a payment, payment of the exercise price must be made by cash or check acceptable to the Administrator or, if so permitted by the Administrator and if legally permissible, (i) through the delivery of previously acquired unrestricted shares of Stock, or the withholding of unrestricted shares of Stock otherwise issuable upon exercise, in either case, that have a Fair Market Value equal to the exercise price; (ii) through a broker-assisted cashless exercise program acceptable to the Administrator; (iii) by other means acceptable to the Administrator; or (iv) by any combination of the foregoing permissible forms of payment. The delivery of previously acquired shares in payment of the exercise price under clause (i) above may be accomplished either by actual delivery or by constructive delivery through attestation of ownership, subject to such rules as the Administrator may prescribe.

(4) Maximum Term. The maximum term of Stock Options and SARs must not exceed 10 years from the date of grant (or five years from the date of grant in the case of an ISO granted to a 10-percent stockholder described in Section 6(b)(2)).

(5) No Repricing. Except in connection with a corporate transaction involving the Company (which term includes, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares) or as otherwise contemplated by Section 7, the Company may not, without obtaining stockholder approval, (i) amend the terms of outstanding Stock Options or SARs to reduce the exercise price or base value of such Stock Options or SARs; (ii) cancel outstanding Stock Options or SARs in exchange for Stock Options or SARs with an exercise price or base value that is less than the exercise price or base value of the original Stock Options or SARs; or (iii) cancel outstanding Stock Options or SARs that have an exercise price or base value greater than the Fair Market Value of a share of Stock on the date of such cancellation in exchange for cash or other consideration.

7. EFFECT OF CERTAIN TRANSACTIONS

(a) Mergers, etc. Except as otherwise expressly provided in an Award agreement or by the Administrator, the following provisions will apply in the event of a Covered Transaction:

(1) Assumption or Substitution. If the Covered Transaction is one in which there is an acquiring or surviving entity, the Administrator may provide for (i) the assumption or continuation of some or all outstanding Awards or any portion thereof or (ii) the grant of new awards in substitution therefor by the acquiror or survivor or an affiliate of the acquiror or survivor.

(2) Cash-Out of Awards. Subject to Section 7(a)(5), the Administrator may provide for payment (a “cash-out”), with respect to some or all Awards or any portion thereof (including only the vested portion thereof), equal in the case of each applicable Award or portion thereof to the excess, if any, of (i) the Fair Market Value of a share of Stock multiplied by the number of shares of Stock subject to the Award or such portion, minus (ii) the aggregate exercise or purchase price, if any, of such Award or portion thereof (or, in the case of a SAR, the aggregate base value above which appreciation is measured), in each case, on such payment and other terms and subject to such conditions (which need not be the same as the terms and conditions applicable to holders of Stock generally) as the Administrator determines, including that any amounts paid

in respect of such Award in connection with the Covered Transaction be placed in escrow or otherwise made subject to such restrictions as the Administrator deems appropriate. For the avoidance of doubt, if the per share exercise or purchase price (or base value) of an Award or portion thereof is equal to or greater than the Fair Market Value of one share of Stock, such Award or portion may be cancelled with no payment due hereunder or otherwise in respect thereof.

(3) Acceleration of Certain Awards. Subject to Section 7(a)(5), the Administrator may provide that any Award requiring exercise will become exercisable, in full or in part, and/or that the issuance of any shares of Stock remaining issuable under any outstanding Award of Stock Units (including Restricted Stock Units and Performance Awards to the extent consisting of Stock Units) will be accelerated, in full or in part, in each case, on a basis that gives the holder of the Award a reasonable opportunity, as determined by the Administrator, following the exercise of the Award or the issuance of the shares, as the case may be, to participate as a stockholder in the Covered Transaction.

(4) Termination of Awards upon Consummation of Covered Transaction. Except as the Administrator may otherwise determine, each Award will automatically terminate (and in the case of outstanding shares of Restricted Stock, will automatically be forfeited) immediately upon the consummation of the Covered Transaction, other than (i) any Award that is assumed, continued or substituted for pursuant to Section 7(a)(1) and (ii) any Award that by its terms, or as a result of action taken by the Administrator, continues following the Covered Transaction.

(5) Additional Limitations. Any share of Stock and any cash or other property delivered pursuant to Section 7(a)(2) or Section 7(a)(3) with respect to an Award may, in the discretion of the Administrator, contain such limitations or restrictions, if any, as the Administrator deems appropriate, including to reflect any performance or other vesting conditions to which the Award was subject and that did not lapse (and were not satisfied) in connection with the Covered Transaction. For purposes of the immediately preceding sentence, a cash-out under Section 7(a)(2) or an acceleration under Section 7(a)(3) will not, in and of itself, be treated as the lapsing (or satisfaction) of a performance or other vesting condition. In the case of Restricted Stock that does not vest and is not forfeited in connection with the Covered Transaction, the Administrator may require that any amounts delivered, exchanged or otherwise paid in respect of such Stock in connection with the Covered Transaction be placed in escrow or otherwise made subject to such restrictions as the Administrator deems appropriate to carry out the intent of the Plan.

(b) Changes in and Distributions with Respect to Stock.

(1) Basic Adjustment Provisions. In the event of a stock dividend, stock split or combination of shares (including a reverse stock split), recapitalization or other change in the Company's capital structure that constitutes an equity restructuring within the meaning of the Accounting Rules, the Administrator will make appropriate adjustments to the Share Pool, the individual limits described in Section 4(d), the number and kind of shares of stock or securities underlying Awards then outstanding or subsequently granted, any exercise or purchase prices (or base values) relating to Awards and any other provision of Awards affected by such change.

(2) Certain Other Adjustments. The Administrator may also make adjustments of the type described in Section 7(b)(1) to take into account distributions to stockholders other than those provided for in Section 7(a) and 7(b)(1), or any other event, if the Administrator determines that adjustments are appropriate to avoid distortion in the operation of the Plan or any Award.

(3) Continuing Application of Plan Terms. References in the Plan to shares of Stock will be construed to include any stock or securities resulting from an adjustment pursuant to this Section 7.

8. LEGAL CONDITIONS ON DELIVERY OF STOCK

The Company will not be obligated to issue any shares of Stock pursuant to the Plan or to remove any restriction from shares of Stock previously issued under the Plan until: (i) the Company is satisfied that all legal matters in connection with the issuance of such shares have been addressed and resolved; (ii) if the outstanding Stock is at the time of issuance listed on any stock exchange or national market system, the shares to be issued have been listed or authorized to be listed on such exchange or system upon official notice of issuance; and (iii) all conditions of the Award have been satisfied or waived. The Company may require, as a condition to the exercise of an Award or the issuance of shares of Stock under an Award, such representations or agreements as counsel for the Company may consider appropriate to avoid violation of the Securities Act of 1933, as amended, or any applicable state or non-U.S. securities law. Any Stock issued under the Plan will be evidenced in such manner as the Administrator determines appropriate, including book-entry registration or delivery of stock certificates. In the event that the Administrator determines that stock certificates will be issued in connection with Stock issued under the Plan, the Administrator may require that such certificates bear an appropriate legend reflecting any restriction on transfer applicable to such Stock, and the Company may hold the certificates pending the lapse of the applicable restrictions.

9. AMENDMENT AND TERMINATION

The Administrator may at any time or times amend the Plan or any outstanding Award for any purpose which may at the time be permitted by applicable law, and may at any time terminate the Plan as to any future grants of Awards; provided that, except as otherwise expressly provided in the Plan or the applicable Award, the Administrator may not, without the Participant's consent, alter the terms of an Award so as to materially and adversely affect the Participant's rights under the Award, unless the Administrator expressly reserved the right to do in the Plan or at the time the applicable Award was granted. Subject to Section 6(b)(5), any amendments to the Plan will be conditioned upon stockholder approval only to the extent, if any, such approval is required by applicable law (including the Code) or stock exchange requirements, as determined by the Administrator. For the avoidance of doubt, without prejudice to the Administrator's rights hereunder, no adjustment to any Award pursuant to the terms of Section 7 or Section 12 will be treated as an amendment to such Award requiring a Participant's consent.

10. OTHER COMPENSATION ARRANGEMENTS

The existence of the Plan or the grant of any Award will not affect the right of the Company or any of its subsidiaries to grant any person bonuses or other compensation in addition to Awards under the Plan.

11. MISCELLANEOUS

(a) Waiver of Jury Trial. By accepting or being deemed to have accepted an Award under the Plan, each Participant waives (or will be deemed to have waived), to the maximum extent permitted under applicable law, any right to a trial by jury in any action, proceeding or counterclaim concerning any rights under the Plan or any Award, or under any amendment, waiver, consent, instrument, document or other agreement delivered or which in the future may be delivered in connection therewith, and agrees (or will be deemed to have agreed) that any such action, proceedings or counterclaim will be tried before a court and not before a jury. By accepting or being deemed to have accepted an Award under the Plan, each Participant certifies that no officer, representative, or attorney of the Company has represented, expressly or otherwise, that the Company would not, in the event of any action, proceeding, or counterclaim, seek to enforce the foregoing waivers. Notwithstanding anything to the contrary in the Plan, nothing herein is to be construed as limiting the ability of the Company and a Participant to agree to submit any dispute arising under the terms of the Plan or any Award to binding arbitration or as limiting the ability of the Company to require any individual to agree to submit such disputes to binding arbitration as a condition of receiving an Award hereunder.

(b) Limitation of Liability. Notwithstanding anything to the contrary in the Plan or any Award, neither the Company, nor any of its subsidiaries, nor the Administrator, nor any person acting on behalf of the Company, any of its subsidiaries, or the Administrator, will be liable to any Participant, to any permitted transferee, to the estate or beneficiary of any Participant or any permitted transferee, or to any other person by reason of any acceleration of income, any additional tax, or any penalty, interest or other liability asserted by reason of the failure of an Award to satisfy the requirements of Section 422 or Section 409A or by reason of Section 4999 of the Code, or otherwise asserted with respect to any Award.

12. RULES FOR PARTICIPANTS SUBJECT TO NON-U.S. LAWS

The Administrator may at any time and from time to time (including before or after an Award is granted) establish, adopt, or revise any rules and regulations as it may deem necessary or advisable to administer the Plan for Participants based outside of the U.S. and/or subject to the laws of countries other than the U.S., including by establishing one or more sub-plans, supplements or appendices under the Plan or any Award agreement for the purpose of complying or facilitating compliance with non-U.S. laws or taking advantage of tax favorable treatment or for any other legal or administrative reason determined by the Administrator. Any such sub-plan, supplement or appendix may contain, in each case, (i) such limitations on the Administrator's discretion under the Plan and (ii) such additional or different terms and conditions, as the Administrator deems necessary or desirable and will be deemed to be part of the Plan but will apply only to Participants within the group to which the sub-plan, supplement or appendix applies (as determined by the Administrator); provided, however, that no sub-plan, supplement or appendix, rule or regulation established pursuant to this provision shall increase the Share Pool contained in Section 4 of the Plan or cause a violation of any U.S. law.

13. GOVERNING LAW

(a) Certain Requirements of Corporate Law. Awards and shares of Stock will be granted, issued and administered consistent with the requirements of applicable Delaware law relating to the issuance of stock and the consideration to be received therefor, and with the applicable requirements of the stock exchanges or other trading systems on which the Stock is listed or entered for trading, in each case, as determined by the Administrator.

(b) Other Matters. Except as otherwise provided by the express terms of an Award agreement or under a sub-plan described in Section 12, the domestic substantive laws of the State of Delaware govern the provisions of the Plan and of Awards under the Plan and all claims or disputes arising out of or based upon the Plan or any Award under the Plan or relating to the subject matter hereof or thereof, without giving effect to any choice or conflict of laws provision or rule that would cause the application of the domestic substantive laws of any other jurisdiction.

(c) Jurisdiction. Subject to Section 11(a) and except as may be expressly set forth in an Award agreement, by accepting (or being deemed to have accepted) an Award, each Participant agrees or will be deemed to have agreed to (i) submit irrevocably and unconditionally to the jurisdiction of the federal and state courts located within the geographic boundaries of the United States District Court for the District of Delaware for the purpose of any suit, action or other proceeding arising out of or based upon the Plan or any Award; (ii) not commence any suit, action or other proceeding arising out of or based upon the Plan or any Award, except in the federal and state courts located within the geographic boundaries of the United States District Court for the District of Delaware; and (iii) waive, and not assert, by way of motion as a defense or otherwise, in any such suit, action or proceeding, any claim that he or she is not subject personally to the jurisdiction of the above-named courts that his or her property is exempt or immune from attachment or execution, that the suit, action or proceeding is brought in an inconvenient forum, that the venue of the suit, action or proceeding is improper or that the Plan or any Award or the subject matter thereof may not be enforced in or by such court.

The following terms, when used in the Plan, have the meanings and are subject to the provisions set forth below:

“Accounting Rules”: Financial Accounting Standards Board Accounting Standards Codification Topic 718, or any successor provision.

For purposes of the Plan, the term “Administrator” will include the Board, the Compensation Committee, and the person or persons delegated authority under the Plan to the extent of such delegation, as applicable.

- (vi) Performance Awards.
- (vii) Awards (other than Awards described in (i) through (vi) above) that are convertible into or otherwise based on Stock.

“Board”: The Board of Directors of the Company.

“Cause”: In the case of any Participant who is party to an employment, change of control or severance-benefit agreement that contains a definition of “Cause,” the definition set forth in such agreement applies with respect to such Participant for purposes of the Plan for so long as such agreement is in effect. In every other case, “Cause” means, as determined by the Administrator, (i) any act of dishonesty or fraud taken by the Participant in connection with his or her responsibilities as an employee or other service provider; (ii) the Participant’s breach of the fiduciary duty or duty of loyalty owed to the Company, or material breach of the duty to protect the Company’s confidential and proprietary information; (iii) the Participant’s commission of a felony or to a crime involving fraud, embezzlement, misappropriation of funds or any other act of moral turpitude; (iv) the Participant’s gross negligence or willful misconduct in the performance

of his or her duties; (v) the Participant's material breach of, or failure to comply with, the Plan, any Award agreement or any other agreement with the Company or any of its subsidiaries or any written policy of the Company or any of its subsidiaries; (vi) the Participant's engagement in any conduct or activity that results, or may result, in negative publicity or public disrespect, contempt or ridicule of the Company or any of its subsidiaries; (vii) the Participant's failure to abide by the lawful and reasonable directives of the Company; or (viii) the Participant's repeated failure to perform the material duties of the Participant's position.

"Change of Control": the occurrence of any of the following events:

(i) any "person" (as such term is used in Sections 13(d) and 14(d) of the Exchange Act) becomes the "beneficial owner" (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing more than 50% of the total voting power represented by the Company's then outstanding voting securities;

(ii) the consummation by the Company of a merger or consolidation of the Company with any other corporation, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than fifty percent (50%) of the total voting power represented by the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation (in substantially the same proportions relative to each other as immediately prior to the transaction); or

(iii) the consummation of the sale or disposition by the Company of all or substantially all of the Company's assets (it being understood that the sale or spinoff of one or more (but not all material) divisions of the Company shall not constitute the sale or disposition of all or substantially all of the Company's assets).

Further and for the avoidance of doubt, a transaction will not constitute a Change of Control if: (i) its sole purpose is to change the state of the Company's incorporation, or (ii) its sole purpose is to create a holding company that will be owned in substantially the same proportions by the persons who held the Company's securities immediately before such transaction. In addition, in no event shall the Spin-Off or any restructurings or other transactions reasonably related to the Spin-Off constitute a Change of Control hereunder.

"Code": The U.S. Internal Revenue Code of 1986, as from time to time amended and in effect, or any successor statute as from time to time in effect.

"Company": Cerence Inc., a Delaware corporation.

"Compensation Committee": The Compensation Committee of the Board.

"Covered Transaction": Any of (i) a consolidation, merger or similar transaction or series of related transactions, including a sale or other disposition of stock, in which the Company is not the surviving corporation or which results in the acquisition of all or substantially all of the Company's then outstanding common stock by a single person or entity or by a group of persons

and/or entities acting in concert, (ii) a sale or transfer of all or substantially all the Company's assets, (iii) a Change of Control, (iv) the Spin-Off or (v) a dissolution or liquidation of the Company. Where a Covered Transaction involves a tender offer that is reasonably expected to be followed by a merger described in clause (i) (as determined by the Administrator), the Covered Transaction will be deemed to have occurred upon consummation of the tender offer.

"Date of Adoption": The earlier of the date the Plan was approved by the Company's stockholders or adopted by the Board, as determined by the Committee.

"Director": A member of the Board who is not an Employee.

"Disability": In the case of any Participant who is party to an employment, change of control or severance-benefit agreement that contains a definition of "Disability" (or a corollary term), the definition set forth in such agreement applies with respect to such Participant for purposes of the Plan for so long as such agreement is in effect. In every other case, "Disability" means, as determined by the Administrator, absence from work due to a disability for a period in excess of ninety (90) days in any twelve (12)-month period that would entitle the Participant to receive benefits under the Company's long-term disability program as in effect from time to time (if the Participant were a participant in such program).

"Employee": Any person who is employed by the Company or any of its subsidiaries.

"Employment": A Participant's employment or other service relationship with the Company or any of its subsidiaries. Employment will be deemed to continue, unless the Administrator otherwise determines, so long as the Participant is employed by, or otherwise is providing services in a capacity described in Section 5 to, the Company or any of its subsidiaries. If a Participant's employment or other service relationship is with any subsidiary of the Company and that entity ceases to be a subsidiary of the Company, the Participant's Employment will be deemed to have terminated when the entity ceases to be a subsidiary of the Company unless the Participant transfers Employment to the Company or one of its remaining subsidiaries. Notwithstanding the foregoing, in construing the provisions of any Award relating to the payment of "nonqualified deferred compensation" (subject to Section 409A) upon a termination or cessation of Employment, references to termination or cessation of employment, separation from service, retirement or similar or correlative terms will be construed to require a "separation from service" (as that term is defined in Section 1.409A-1(h) of the Treasury Regulations, after giving effect to the presumptions contained therein) from the Company and from all other corporations and trades or businesses, if any, that would be treated as a single "service recipient" with the Company under Section 1.409A-1(h)(3) of the Treasury Regulations. The Company may, but need not, elect in writing, subject to the applicable limitations under Section 409A, any of the special elective rules prescribed in Section 1.409A-1(h) of the Treasury Regulations for purposes of determining whether a "separation from service" has occurred. Any such written election will be deemed a part of the Plan.

"Exchange Act": The Securities Exchange Act of 1934, as amended.

“Fair Market Value”: As of a particular date, (i) the closing price for a share of Stock reported on the Nasdaq Global Select Market (or any other national securities exchange on which the Stock is then listed) for that date or, if no closing price is reported for that date, the closing price on the immediately preceding date on which a closing price was reported or (ii) in the event that the Stock is not traded on a national securities exchange, the fair market value of a share of Stock determined by the Administrator consistent with the rules of Section 422 and Section 409A to the extent applicable.

“ISO”: A Stock Option intended to be an “incentive stock option” within the meaning of Section 422. Each Stock Option granted pursuant to the Plan will be treated as providing by its terms that it is to be an NSO unless, as of the date of grant, it is expressly designated as an ISO.

“NSO”: A Stock Option that is not intended to be an “incentive stock option” within the meaning of Section 422.

“Participant”: A person who is granted an Award under the Plan.

“Performance Award”: An Award subject to performance vesting conditions, which may include Performance Criteria.

“Performance Criteria”: Specified criteria, other than the mere continuation of Employment or the mere passage of time, the satisfaction of which is a condition for the grant, exercisability, vesting or full enjoyment of an Award. A Performance Criterion and any targets with respect thereto need not be based upon an increase, a positive or improved result or avoidance of loss.

“Plan”: The Cerence Inc. 2019 Equity Incentive Plan, as from time to time amended and in effect.

“Restricted Stock”: Stock subject to restrictions requiring that it be forfeited, redelivered or offered for sale to the Company if specified performance or other vesting conditions are not satisfied.

“Restricted Stock Unit”: A Stock Unit that is, or as to which the issuance of Stock or delivery of cash in lieu of Stock is, subject to the satisfaction of specified performance or other vesting conditions.

“SAR”: A right entitling the holder upon exercise to receive an amount (payable in cash or in shares of Stock of equivalent value) equal to the excess of the Fair Market Value of the shares of Stock subject to the right over the base value from which appreciation under the SAR is to be measured.

“Section 422”: Section 422 of the Code and the regulations thereunder.

“Spin-Off”: The spin-off of the Company by Nuance Communications, Inc., a Delaware corporation.

“Unrestricted Stock”: Stock not subject to any restrictions under the terms of the Award.

(m) “Designated Subsidiary” shall mean any Subsidiary that has been designated by the Board or the Compensation Committee from time to time in its sole discretion as eligible to participate in the 423 Component or the Non-423 Component. (s) "Non-423 Component" shall mean the part of the Plan, which excludes the 423 Component, pursuant to which options to purchase shares of Common Stock that are not intended to satisfy the requirements for an "employee stock purchase plan" under Section 423 may be granted to Employees eligible to participate in the Plan.

The Administrator shall have the power to change the duration and/or the frequency of Purchase Periods (including the commencement and ending dates thereof), in each case, to the extent permitted by Section 423.

(y) "Section 423" shall mean Section 423 of the Code and the U.S. Treasury Regulations thereunder.

(z) "Subsidiary" shall mean a corporation, domestic or foreign, of which not less than fifty percent (50%) of the voting shares are held by the Company or a Subsidiary, whether or not such corporation now exists or is hereafter organized or acquired by the Company or a Subsidiary.

(aa) "Tax-Related Items" shall mean any income tax, social insurance, payroll tax, fringe benefit tax, payment on account or other tax-related items arising out of or in relation to an eligible Employee's participation in the Plan, including, but not limited to, the grant or exercise of an option to purchase shares of Common Stock, the receipt of shares of Common Stock and the sale or other disposition of shares of Common Stock acquired under the Plan.

(bb) "Trading Day" shall mean a day on which Common Stock is traded on the Nasdaq Global Select Market (or any other national securities exchange on which Common Stock is then listed).

3. Eligibility.

(a) Subject to applicable law, any Employee (i) who has been employed for at least ten (10) business days prior to the Offering Date of a given Offering Period, (ii) whose customary employment with an Employer is for more than five (5) months per calendar year, (iii) who customarily works twenty (20) hours or more per week for an Employer, and (iv) who satisfies the other requirements of the Plan, including Section 5(a) hereof, shall be eligible to participate in such Offering Period under the Plan, subject to, with respect to an Offering Period under the Section 423 Component, the limitations imposed by Section 423. The Administrator may, for Offering Periods that have not yet commenced, establish additional or other eligibility requirements, or amend the eligibility requirements set forth in this Section 3(a), in each case, consistent with the requirements of applicable law, and with respect to an offering under the Section 423 Component, with the requirements of Section 423.

(b) Unless otherwise determined by the Administrator, a participant whose Employment transfers or whose Employment terminates with an immediate rehire (with no break in service) by or between the Company and a Designated Subsidiary will not be treated as having terminated Employment for purposes of participating in the Plan or an Offering Period; however, if a participant's Employment transfers from the Company or a Designated Subsidiary eligible to participate in an offering under the 423 Component to a Designated Subsidiary eligible to participate in an offering under the Non-423 Component, the exercise of the participant's option will be qualified under the 423 Component only to the extent such exercise complies with Section 423. If a participant's Employment transfers from a Designated Subsidiary eligible to participate in an offering under the Non-423 Component to a Designated Subsidiary eligible to participate in an offering under the 423 Component, the exercise of the option will remain non-qualified under the Non-423 Component. The Administrator may establish different and additional rules governing transfers of Employment between entities eligible to participate in separate offerings within the 423 Component and between entities eligible to participate in offerings under the 423 Component and entities eligible to participate in offerings under the Non-423 Component.

(c) Any provisions of the Plan to the contrary notwithstanding, no Employee shall be granted an option under the Plan (i) if, immediately after the grant, such Employee (together with any other person whose stock would be attributed to such Employee pursuant to Section 424(d) of the Code) would own stock and/or hold outstanding options to purchase stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or of any Subsidiary, or (ii) if such option would permit his or her rights to purchase stock under all employee stock purchase plans of the Company and its Subsidiaries to accrue at a rate which exceeds twenty-five thousand dollars (\$25,000) worth of stock (determined at the Fair Market Value of such stock at the time such option is granted) for each calendar year in which such option is outstanding at any time, and with respect to an offering under the Section 423 Component, in each case, as determined in accordance with Section 423.

4. Offering Periods. The Plan shall be implemented by a series of separate Offering Periods. Unless otherwise determined by the Administrator, the Offering Periods will be successive periods of approximately six (6) months commencing on February 16th and August 16th of each year (or the first Trading Day thereafter), and ending approximately six (6) months later on August 15th and February 15th of each year (or the first Trading Day thereafter). The Administrator shall have the power to change the duration and/or the frequency of Offering Periods (including the commencement and ending dates thereof), and with respect to an offering under the Section 423 Component, in each case, to the extent permitted by Section 423. Eligible Employees may not participate in more than one Offering Period at a time.

5. Participation.

(a) An Employee who is eligible to participate in the Plan pursuant to Section 3 hereof may become a participant in the Plan with respect to an Offering Period by completing an enrollment form provided by the Company for such purpose and filing it with the Company's payroll office prior to deadline specified therein.

(b) Payroll deductions for a participant for an Offering Period shall commence on the first practicable payroll date following the Offering Date and shall end on the last payroll paid in the Offering Period to which the enrollment form is applicable, unless sooner terminated as provided herein.

6. Method of Payment of Contributions.

(a) At the time a participant files his or her enrollment form as provided in Section 5 hereof, he or she shall elect to have payroll deductions made on each payday during the Offering Period in an amount not less than one percent (1%) and not more than twelve percent (12%) of such participant's Compensation on each such payday. All payroll deductions made for a participant shall be credited to his or her Account under the Plan and shall be withheld in whole percentages only. If required under applicable law or if specifically provided in the offering or otherwise permitted by the Administrator (and, with respect to the Section 423 Component, to the extent permitted under Section 423), in addition to or instead of making Contributions by payroll deductions, a participant may make Contributions through the payment by cash, check or wire transfer prior to the applicable Purchase Date.

(b) A participant may discontinue his or her participation in the Plan as provided herein, or, on one occasion only during an Offering Period, may decrease the rate of his or her Contributions for the Offering Period (including to zero percent (0%)) by completing and filing with the Company a new enrollment form authorizing the decrease in Contribution rate. The change in rate shall be effective as of the next practicable payroll date, but no earlier than ten (10) business days after the participant has filed such new enrollment form. A participant may at any time change his or her rate of Contributions for future Offering Periods by completing and filing with the Company a new enrollment form on or before the deadline for the applicable Offering Period. Provided a participant remains an eligible Employee, such participant will be automatically re-enrolled in the next Offering Period, at the same rate of Contributions, unless the participant submits a new enrollment form or terminates his or her participation as provided herein, and the participant will be deemed to have accepted the terms and conditions of the Plan, any sub-plan and the enrollment form in effect at the time each subsequent Offering Period begins.

(c) Notwithstanding the foregoing, to the extent necessary to comply with applicable law and the Plan, and with respect to an offering under the 423 Component, with Section 423, a participant's Contributions may be decreased to zero percent (0%) at any time during an Offering Period. In the event of any such decrease, the participant's Contributions shall recommence at the rate provided in such participant's enrollment form at the beginning of the next Offering Period which is scheduled to end in the following calendar year (or, with respect to an offering under the 423 Component, the first Offering Period the participant may participate in without violating Section 423 or the Plan), unless the participant completes and files a new enrollment form in accordance with Section 6(b) hereof or the participant's participation is terminated in accordance with the Plan.

(d) Payroll deductions will be made on an after-tax basis. The Administrator will have the right, as a condition to the exercise of an option, to make such provision as it deems necessary to satisfy any withholding obligations the Company or a Subsidiary may have for Tax-Related Items. Without limitation to the foregoing, in the Administrator's discretion and subject to applicable law, such tax obligations may be satisfied in whole or in part by delivery of shares of Common Stock to the Company, including shares of Common Stock purchased under the Plan, but not in excess of the maximum withholding amount consistent with the award being subject to equity accounting treatment under the Accounting Rules; by withholding from the participant's salary or any other cash payment due to the participant from the Company or a Subsidiary; or by withholding from the proceeds of the sale of shares of Common Stock acquired under the Plan.

7. Grant of Option.

(a) On the Offering Date of each Offering Period, each eligible Employee participating in such Offering Period shall be granted an option to purchase on each Purchase Date during such Offering Period a number of shares of Common Stock determined by dividing such participant's Contributions accumulated prior to such Purchase Date and retained in the participant's Account as of the Purchase Date by the purchase price specified in Section 7(b) below; provided, however, that the maximum number of shares of Common Stock a participant may purchase during each Purchase Period shall be 2,000 shares (subject to any adjustment pursuant to Section 18 hereof); and provided further that such purchase shall be subject to the limitations set forth in the Plan, including Sections 3(c) and 13 hereof. The Administrator may, for future Offering Periods, increase or decrease, in its absolute discretion, the maximum number of shares of Common Stock that a participant may purchase during each Purchase Period of such Offering Period. Exercise of the option shall occur as provided in Section 8 hereof. Each option shall expire on the last day of the Offering Period to which it relates.

(b) Unless otherwise determined by the Administrator with respect to any Offering Period, the purchase price per share of Common Stock covered by each option granted under the Plan shall be the lower of: (i) eighty-five percent (85%) of the Fair Market Value of a share of Common Stock on the Offering Date; or (ii) eighty-five percent (85%) of the Fair Market Value of a share of Common Stock on the Purchase Date.

8. Exercise of Option.

(a) Subject to the limitations set forth in the Plan, including Section 3(c) hereof, and unless a participant's participation in the Plan has terminated as provided in Section 10 hereof, the participant's option for the purchase of shares of Common Stock will be exercised automatically on each Purchase Date of an Offering Period, and the maximum number of full shares subject to the option will be purchased for such participant at the applicable purchase price specified in Section 7(b) hereof with the accumulated Contributions in his or her Account. The shares purchased upon exercise of an option hereunder shall be deemed to be transferred to the participant on the Purchase Date. No fractional shares of Common Stock shall be purchased; any Contributions accumulated in a participant's Account that are not sufficient to purchase a full share of Common Stock, and any other amounts credited to the participant's Account that are not used to purchase shares, shall be returned (without interest, unless the payment of interest is otherwise required by applicable law) to the participant as soon as practicable thereafter. During his or her lifetime, a participant's option to purchase shares hereunder is exercisable only by him or her.

(b) If the Administrator determines that, on a given Purchase Date, the number of shares with respect to which options are to be exercised may exceed (i) the number of shares of Common Stock that were available for sale under the Plan on the Offering Date of the applicable Offering Period, or (ii) the number of shares available for sale under the Plan on such Purchase Date, the Administrator may in its sole discretion (x) provide that the Company shall make a pro rata allocation of the shares of Common Stock available for purchase on such Offering Date or Purchase Date, as applicable, in as uniform a manner as shall be practicable and as it shall determine in its sole discretion to be equitable among all participants exercising options to purchase Common Stock on such Purchase Date, and continue all Offering Period then in effect, or (y) provide that the Company shall make a pro rata allocation of the shares available for purchase on such Offering Date or Purchase Date, as applicable, in as uniform a manner as shall be practicable and as it shall determine in its sole discretion to be equitable among all participants exercising options to purchase Common Stock on such Purchase Date, and terminate any or all Offering Periods then in effect pursuant to Section 19 hereof. In such event, the Company shall give written notice of such reduction of the number of shares subject to the option to each Employee affected thereby and shall similarly reduce the rate of Contributions, if necessary. The Company may make pro rata allocation of the shares available on the Offering Date of any applicable Offering Period pursuant to the preceding sentence, notwithstanding any authorization of additional shares for issuance under the Plan by the Company's shareholders subsequent to such Offering Date.

9. Delivery. As promptly as practicable following each Purchase Date on which a purchase of shares of Common Stock occurs, the shares of Common Stock so purchased will be placed, in book-entry form, into a recordkeeping account in the name of the participant. Shares of Common Stock purchased under the Plan may, in the discretion of the Administrator, be subject to a restriction prohibiting the transfer, sale, pledge or alienation of such shares of Stock by a participant, other than by will or by the laws of descent and distribution, for such period following such purchase as may be determined by the Administrator. If the Administrator designates or approves a stock brokerage or other financial services firm (the "ESPP Broker") to hold shares purchased under the Plan for the accounts of participants, the following procedures shall apply. Promptly following each Purchase Date, the number of shares of Common Stock purchased by each participant shall be transferred into an account established in the participant's name with the ESPP Broker. Each participant shall be the beneficial owner of the Common Stock purchased under the Plan and shall have all rights of beneficial ownership in such Common

Stock. Unless the Administrator determines otherwise, a participant shall be free to undertake a disposition of the shares of Common Stock in his or her account at any time, but, in the absence of such a disposition, shares of Common Stock acquired pursuant to offering under the 423 Component must remain in the participant's account at the ESPP Broker until the later of (i) two years after the first day of the Offering Period in which such Common Stock was acquired and (ii) one year after the acquisition of such Common Stock. Dividends paid in the form of shares of Common Stock with respect to Common Stock in a participant's account shall be credited to such account. By electing to participate in the Plan, each participant agrees or will be deemed to have agreed to provide such information about any transfer of Common Stock acquired pursuant to the 423 Component that occurs within two years after the first day of the Offering Period in which such Common Stock was acquired and within one year after the acquisition of such Common Stock as may be requested by the Company or any Designated Subsidiary in order to assist it in complying with applicable tax laws. The Company may require that shares of Common Stock be retained with a particular broker or agent for a designated period of time and/or may establish other procedures to permit tracking of shares and compliance with applicable law.

10. Voluntary Withdrawal; Termination of Employment.

(a) A participant may withdraw all but not less than all the Contributions credited to his or her Account and not yet used to exercise his or her option under the Plan at any time up to ten (10) business days prior to the applicable Purchase Date by giving written notice to the Company. All of the participant's Contributions credited to his or her Account will be paid (without interest) to him or her as soon as practicable after the Company's receipt of his or her notice of withdrawal and his or her option for the Offering Period will be automatically terminated, and no further Contributions for the purchase of shares will be made during the Offering Period. If a participant withdraws from an Offering Period, Contributions shall not resume at the beginning of the succeeding Offering Period unless the participant files a new enrollment form in accordance with Section 5 hereof.

(b) Upon termination of a participant's Employment prior to the Purchase Date of an Offering Period for any reason, including retirement or death, he or she will be deemed to have elected to withdraw from the Plan and the Contributions credited to his or her Account but not yet used to exercise his or her option under the Plan will be returned (without interest) to him or her or, in the case of his or her death, to the person or persons entitled thereto under Section 14 hereof as soon as practicable, and his or her option will be automatically terminated.

(c) In the event an Employee becomes ineligible to participate in the Plan during the Offering Period in which the Employee is a participant, as determined by the Administrator, he or she will be deemed to have elected to withdraw from the Plan and the Contributions credited to his or her Account but not yet used to exercise his or her option under the Plan will be returned (without interest) to him or her as soon as practicable, and his or her option will be automatically terminated.

(d) A participant's withdrawal from an Offering Period by itself will not have any effect upon his or her eligibility to participate in a succeeding Offering Period that commences after the termination of the Offering Period from which the participant withdraws or in any similar plan which may hereafter be adopted by the Company.

11. Interest. Unless otherwise required by applicable law, no interest shall accrue on the Contributions of a participant in the Plan.

12. Stock.

(a) Subject to adjustment as provided in Section 18 hereof, 1,050,000 shares of Common Stock shall initially be available for purchase pursuant to the exercise of options granted under the Plan. Shares of Common Stock will not be treated as issued under the Plan, and will not reduce the number of shares available for purchase, unless and until, and to the extent, the shares are actually issued pursuant to the exercise of options under the Plan. If any option expires or terminates for any reason without having been exercised in full or ceases for any reason to be exercisable, in whole or in part, the unpurchased shares of Common Stock subject to such option will not reduce the shares of Common Stock available hereunder. For the avoidance of doubt, up to the maximum number of shares of Common Stock reserved under this Section 12(a) may be used to satisfy purchases of Common Stock under the 423 Component and any remaining portion of such maximum number of shares may be used to satisfy purchases of Common Stock under the Non-423 Component.

(b) The participant will have no right to vote or receive dividends or any other rights as a shareholder of the Company with respect to the shares covered by his or her option until such option has been exercised and such shares have been issued, recorded on the records of the Company or its transfer agents or registrars, and delivered to the participant as provided in Section 9 hereof.

(c) Shares to be delivered to a participant under the Plan will be registered in the name of the participant or in the name of the participant and his or her spouse.

13. Administration. The Administrator shall administer the Plan, and shall have full and exclusive discretionary power to adopt, amend and rescind forms, rules and procedures relating to the Plan, to construe, interpret and apply the terms of the Plan, to determine eligibility and to adjudicate all disputed claims filed under the Plan, and to make all other determinations necessary or advisable for the administration of the Plan and otherwise do all things deemed necessary desirable and appropriate for the administration of the Plan and not inconsistent with the Plan. Every finding, decision and determination made by the Administrator shall, to the fullest extent permitted by law, be final and binding upon all parties. Without limitation to the foregoing, the Administrator shall have the power to designate which Subsidiaries will be eligible to participate in the Plan, whether such Designated Subsidiaries will participate in the 423 Component or the Non-423 Component, and, to the extent that the Company makes separate offerings, in which offering each Designated Subsidiary will be eligible to participate.

14. Designation of Beneficiary.

(a) If permitted by the Administrator, a participant may file a written designation of a beneficiary who is to receive any shares and cash, if any, from the participant's Account under the Plan in the event of such participant's death subsequent to a Purchase Date on which the option is exercised but prior to delivery to him or her of such shares and cash. In addition, if permitted by the Administrator, a participant may file a written designation of a beneficiary who is to receive any cash from the participant's Account under the Plan in the event of such participant's death prior to the exercise of the option. If a participant is married and the designated beneficiary is not the spouse, spousal consent shall be required for such designation to be effective.

(b) Such designation of beneficiary may be changed by the participant (and his or her spouse, if any) at any time by written notice. In the event of the death of a participant and in the absence of a beneficiary validly designated under the Plan and applicable laws (with such validity being determined by the Company in its sole discretion) who is living at the time of such participant's death, the Company shall deliver such shares and/or cash to the executor or administrator of the estate of the participant, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such shares and/or cash to the spouse or to any one or more dependents or relatives of the participant, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

15. Transferability. Neither Contributions credited to a participant's Account nor any rights with regard to the exercise of an option or to receive shares under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws of descent and distribution, or as provided in Section 14 hereof) by the participant. Any such attempt at assignment, transfer, pledge or to otherwise dispose of an option or right to receive shares shall be without effect, except that the Administrator may treat such act as an election to withdraw funds from an Offering Period in accordance with Section 10 hereof to the extent permitted by Section 423.

16. Use of Funds. Subject to applicable law, all Contributions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to set aside in trust or otherwise segregate such Contributions from the Company's general assets.

17. Reports. Individual Accounts will be maintained for each participant in the Plan. A report or notice will be given to participants following each Purchase Date, which statements will set forth the amounts of Contributions, the purchase price per share, the number of shares purchased and the amount of Contributions refunded or to be refunded.

18. Adjustments Upon Changes in Capitalization; Corporate Transactions.

(a) Changes in Capitalization. In the event of a stock dividend, stock split or combination of shares (including a reverse stock split), recapitalization or other change in the Company's capital structure that constitutes an equity restructuring within the meaning of the Accounting Rules, the Administrator will make appropriate adjustments to the number of shares of Common Stock covered by each option under the Plan which has not yet been exercised and the number of shares of Common Stock which have been authorized for issuance under the Plan, as well as the purchase price per share of each option under the Plan which has not yet been exercised and the maximum number of shares each participant may purchase during each Purchase Period.

(b) Corporate Transactions. In the event of a Covered Transaction, the Administrator may (i) provide that each outstanding option will be assumed or exchanged for a substitute option granted by the acquirer or successor corporation or by a parent or subsidiary of the acquirer or successor corporation; (ii) cancel each outstanding option and return the balances in participants' Accounts to the participants; and/or (iii) pursuant to Section 19, terminate the Offering Period and/or Purchase Period on or before the date of the Covered Transaction.

19. Amendment or Termination.

(a) The Administrator may at any time and for any reason terminate or amend the Plan. To the extent necessary to comply with Section 423 (or any successor rule or provision or any applicable law or regulation), the Company shall obtain stockholder approval in such a manner and to such a degree as so required.

(b) Without limiting the other provisions of the Plan and, with respect to offerings under the 423 Component to the extent permitted by the applicable provisions of Section 423, the Administrator shall be entitled to change the Offering Periods, limit the frequency and/or number of changes in the amount withheld during an Offering Period, establish the exchange ratio applicable to amounts withheld in a currency other than U.S. dollars, permit payroll withholding in excess of the amount designated by a participant in order to adjust for delays or mistakes in the Company's processing of properly completed withholding elections, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Common Stock for each participant properly correspond with amounts withheld from the participant's Compensation, and establish such other limitations or procedures as the Administrator determines in its sole discretion advisable which are consistent with the Plan.

20. Notices. All notices or other communications by a participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.

21. Conditions Upon Exercise and Issuance of Shares. Options may not be exercised and Shares of Common Stock shall not be issued with respect to an option under the Plan unless the exercise of such option and the issuance and delivery of such shares pursuant thereto shall comply with all applicable provisions of law, domestic or foreign, including, without limitation, the U.S. Securities Act of 1933, as amended (the "Securities Act"), the Exchange Act, the rules and regulations promulgated under the Securities Act or the Exchange Act, the requirements of any stock exchange upon which the shares may then be listed, and all other securities, exchange control and other laws applicable to the Plan, and shall be further subject to the approval of counsel for the Company with respect to such compliance. As a condition to the exercise of an option, the Company may require the person exercising such option to represent and warrant at the time of any such exercise that the shares are being purchased only for investment and without any present intention to sell or distribute such shares if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned applicable provisions of law.

22. No Effect on Employment. Nothing in the Plan shall be deemed to give any Employee the right to be retained in the employ of any Employer or to interfere with the right of the Employer to discharge the Employee at any time.

23. Separate Offerings; Sub-Plans. Notwithstanding the foregoing or any provision of the Plan to the contrary, consistent with the requirements of Section 423, the Administrator may, in its sole discretion, amend the terms of the Plan, or an offering, and/or provide for separate offerings under the Plan in order to, among other things, reflect the impact of local law outside of the United States as applied to one or more eligible Employees of a Designated Subsidiary and may, where appropriate, establish one or more sub-plans to reflect such amended provisions. Without limiting the generality of, and consistent with, the foregoing, the Administrator specifically is authorized to adopt rules, procedures, and sub-plans regarding, without limitation, eligibility to participate in the Plan, the definition of Compensation, handling and making of Contributions, establishment of bank or trust accounts to hold Contributions, payment of interest, conversion of local currency, obligations to pay payroll tax, determination of beneficiary designation requirements, withholding procedures and handling of share issuances, any of which may vary according to applicable requirements, and which, if applicable to a Designated Subsidiary eligible to participate in the Non-423 Component, do not have to comply with the requirements of Section 423.

24. Term of Plan; Effective Date. The Plan will become effective upon adoption of the Plan by the Board and no rights will be granted hereunder after the earliest to occur of (i) the Plan's termination by the Board; (ii) the issuance of all shares of Stock available for issuance under the Plan; and (iii) the day before the ten (10)-year anniversary of the date the Board approves the Plan. Shareholder approval of the Plan will be obtained prior to the date that is twelve (12) months after the date of Board approval. In the event that the Plan has not been approved by the shareholders of the Company prior to September 15, 2020, all options to purchase shares of Common Stock under the Plan will be cancelled and become null and void.

25. Miscellaneous.

(a) By electing to participate in the Plan, each participant waives (or will be deemed to have waived), to the maximum extent permitted under applicable law, any right to a trial by jury in any action, proceeding or counterclaim concerning any rights under the Plan or with respect to any option, or under any amendment, waiver, consent, instrument, document or other agreement delivered or which in the future may be delivered in connection therewith, and agrees that any such action, proceedings or counterclaim will be tried before a court and not before a jury. By electing to participate in the Plan, each participant certifies that no officer, representative, or attorney of the Company has represented, expressly or otherwise, that the Company would not, in the event of any action, proceeding, or counterclaim, seek to enforce the foregoing waivers. Notwithstanding anything to the contrary in the Plan, nothing herein is to be construed as limiting the ability of the Company and a participant to agree to submit disputes arising under the terms of the Plan or in respect of any option to binding arbitration or as limiting the ability of the Company, to the extent permitted under Section 423 and applicable law, to require any individual to agree to submit such disputes to binding arbitration as a condition of receiving an option hereunder.

(b) Notwithstanding anything to the contrary in the Plan, neither the Company, nor any of its subsidiaries, nor the Administrator, nor any person acting on behalf of the Company, any of its subsidiaries, or the Administrator, will be liable to any participant or to any other person by reason of any acceleration of income, any additional tax, and any penalty, interest or other liability asserted by reason of the failure of the 423 Component or any option granted under the 423 Component to satisfy the requirements of Section 423, by reason of the failure of the Non-423 Component or any option granted under the 423 Component to achieve any particular tax result under local law.

(c) Options and shares of Common Stock will be granted, issued and administered consistent with the requirements of applicable Delaware law relating to the issuance of stock and the consideration to be received therefor, and with the applicable requirements of the stock exchanges or other trading systems on which the Stock is listed or entered for trading, in each case, as determined by the Administrator. Except as otherwise provided by the express terms of a sub-plan or separate offering described in Section 23, the domestic substantive laws of the State of Delaware govern the provisions of the Plan and of options under the Plan and all claims or disputes arising out of or based upon the Plan or any option or relating to the subject matter hereof or thereof, without giving effect to any choice or conflict of laws provision or rule that would cause the application of the domestic substantive laws of any other jurisdiction.

(d) By electing to participate in the Plan, each participant agrees or will be deemed to have agreed to (i) submit irrevocably and unconditionally to the jurisdiction of the federal and state courts located within the geographic boundaries of the United States District Court for the District of Delaware for the purpose of any suit, action or other proceeding arising out of or based upon the Plan or any option; (ii) not commence any suit, action or other proceeding arising out of or based upon the Plan or any option, except in the federal and state courts located within the geographic boundaries of the United States District Court for the District of Delaware; and (iii) waive, and not assert, by way of motion as a defense or otherwise, in any such suit, action or proceeding, any claim that he or she is not subject personally to the jurisdiction of the above-named courts that his or her property is exempt or immune from attachment or execution, that the suit, action or proceeding is brought in an inconvenient forum, that the venue of the suit, action or proceeding is improper or that the Plan or any option or the subject matter thereof may not be enforced in or by such court.

As your legal counsel, I have examined the proceedings taken and am familiar with the proceedings proposed to be taken by the Company in connection with the sale and issuance of the Shares pursuant to the Cerence 2019 Equity Incentive Plan and the Cerence 2019 Employee Stock Purchase Plan. I hereby consent to the filing of this opinion with the Commission as an exhibit to the Registration Statement. In giving this consent, I do not thereby admit that I am in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission promulgated thereunder.

This opinion is furnished by me as General Counsel of the Company in connection with the filing of the Registration Statement and is not to be used, circulated or quoted for any other purpose or otherwise referred to or relied upon by any other person without the prior express written permission of the Company other than in connection with the offer and sale of Shares while the Registration Statement is in effect.

Very truly yours,
