COMMON STOCK

This prospectus supplement supplements the prospectus dated February 26, 2020 (the "Prospectus"), which forms a part of our Registration Statement on Form S-1 (Registration No. 333-234214). This prospectus supplement is being filed to update and supplement the information in the Prospectus with information contained in our Current Report on Form 8-K, filed with the Securities and Exchange Commission on February 21, 2020 (the "Current Report"). Accordingly, we have attached the Current Report to this prospectus supplement.

The Prospectus and this prospectus supplement relate solely to 650,736 shares of common stock, par value \$0.01 per share, of Cerence Inc., which we refer to as our common stock, which may be offered for resale from time to time by certain stockholders named under the heading "Selling Stockholders" in the Prospectus, whom we refer to as the selling stockholders. The shares of our common stock offered under the Prospectus, as supplemented by this prospectus supplement, may be resold by the selling stockholders at prevailing market prices, at prices different than prevailing market prices or at privately negotiated prices and, accordingly, we cannot determine the price or prices at which shares of our common stock may be resold. The selling stockholders may sell shares through agents they select or through underwriters and dealers they select. The selling stockholders also may sell shares directly to investors. For more information, see the section entitled "Plan of Distribution" in the Prospectus. We do not know if, when or in what amounts a selling stockholder may offer shares of our common stock for resale. The selling stockholders may resell all, some or none of the shares of our common stock offered by the Prospectus, as supplemented by this prospectus supplement, in one or multiple transactions.

This prospectus supplement should be read in conjunction with the Prospectus. This prospectus supplement updates and supplements the information in the Prospectus. If there is any inconsistency between the information in the Prospectus and this prospectus supplement, you should rely on the information in this prospectus supplement.
